Join us for our first annual Dinosaur Egg Hunt

Saturday, April 7th, 2012

The fun begins at 10:30 AM.

We will meet in our theater to learn some interesting facts about dinosaurs.
(Did you know that the smallest known dinosaur was the size of a crow?)

Then Junior Paleontologists will go outside to hunt for their very own
“Dinosaur eggs” (with special surprises inside!)

Stick around for a cool Dinosaur movie at 1 PM.

Special Program Fee: \$5.00 per individual
Pre-Registration required
