

NOCTURNAL ANIMALS

at GARVIES POINT MUSEUM & PRESERVE

Saturday, October 13, 2018

2-3 pm

"As the sun goes down, our backyards come alive with an astonishing diversity of wildlife. Join Volunteer for Wildlife's Education Specialist to uncover the mysterious lives of creatures that roam New York's landscape at night. During this program participants will get a chance to get up-close to some of VFW's nocturnal Animal Ambassadors while uncovering unique adaptations and behaviors that allow them to not only just survive, but thrive in darkness."

**\$10/adult, \$5/child 5-12 years.*

\$8/adult member, \$3/child member.

Includes Nocturnal Animals program, light refreshments & museum admission. Recommended ages 5 +.

Please register in advance.
