

The Nassau Mineral Club

hosts:

1-on-1 Hands On Wire Wrapping for Jewelry: Workshop by Joe Austin

Saturday, Oct. 8, 2016 11 AM – 2 PM

Garvies Point Museum and Preserve
50 Barry Drive
Glen Cove NY 11542

Register early:

Limited to 12 participants (members will shadow each participant)

Joe Austin will teach, and demonstrate, the process of wire wrapping for jewelry. Joe will show you how to wire wrap a stone, cabochon, bead or button.

There will be **1-on-1 assistants** for each attendee to help you wire wrap your stone, cabochon, bead or button. He will introduce the tools that are used in this process.

There will be two types of kits available:

Kit 1 will have wire, a stone and instructions (written and/or a DVD) for members at \$10* and for non-members at \$20.

Kit 2 will have wire, a stone, instructions (written and/or a DVD) and necessary tools (2 smooth – non-serrated - flat nose or curved pliers and a wire cutter) for members at \$18* and for non-members at \$28.

Extra stones will be available for sale

To register for this workshop, please make a check payable to the Nassau Mineral Club and send to Elaine Grayson, 213 Terrace Lane, Oyster Bay NY 11771

Join us at the Nassau Mineral Club for our weekly workshops every Saturday at 10 AM

**Admission: Garvies Point Museum is \$3
Admission to Garvies is free for Nassau Mineral Club Members.
*NMC Members pay \$5 for attending the NMC workshops.**
